This portable and versatile gas grill, weighing less than 4 kg, includes four interchangeable cooking/grilling surfaces: Pot stand, GreenGrill ceramic-coated grill grate and grill plate (not on Safari Chef Lite), and lid that can also be used as a pot. The Safari Chef 2 is available in a high or low pressure version. The Safari Chef HP (high pressure) uses a 500 g threaded cartridge that screws directly into the unit, while the Safari Chef 2 LP (low pressure) can be connected to an ordinary gas cylinder (gas cartridge/hose and pressure reducer not included). Excellent for camping, climbing or fishing.

Dimensions L x W x H: 39.2 x 22 x 22 cm, pack size: 32.6 x 32.6 x 22.5 cm.

E-Braai 40 electric grill

- Exact temperature setting via digital display
- Electric 2.3 kW heating coil for fast heating time
- Lid can be as a windbreak or splash guard
- Easy to clean grill grate with GreenGrill ceramic coating
- Freestanding or table grill selectable

With the E-Braai 40 you will discover how delicious and easy electric grilling can be! Ideal for use on the balcony or in the garden, but you can also easily take it on vacation with the included carrying¹ bag.

The 2.3 kW heating coil ensures a fast warm-up time. A removable glass ring protects the spiral from dripping fat. Thanks to the unique "Spot-on Grilling Technology", the temperature is measured directly on the grill (instead of under the lid). This allows it to be set precisely and kept constant at the desired temperature. The set temperature can be read on the digital display and is adjustable from 70 to 270 degrees, so slow cooking is also possible.

① Table grill Ø 40 cm	925200	289,-
② NEW! Freestanding Ø 40 cm	925201	349,-

¹Carrying bag only included with 925200

Citi Chef 40 - The versatile, portable and easy to clean grill

- Robust, compact and easy to transport
- Power: 2.7 kW
- Thermometer in lid
- Included Pot stand and grill grate
- Automatic piezo ignition

The sturdy, compact and portable grill can be used on the table. It is equipped with a GreenGrill ceramic-coated aluminum grill grate with integrated deflector to distribute heat ideally. The grease pan fits into the outer burner pan and is easy to remove and clean (dishwasher safe). So you can use pots, the CADAC paella pan or the pizza stone.

It is powered by a threaded cartridge with EN417 pressure regulator, the Cadac Power Pak or a refillable gas cylinder (Not included). Heat output: 2.7 kW, grilling surface: Ø 38 cm, weight: approx. 5.8 kg, dimensions LxWxH: 42.2 x 42.2 x 33.4 cm (assembled), 47.3 x 49.3 x 36.8 cm (packed).

Scope of delivery: grill with lid, 1 x pot stand, 1 x grill grate and transport bag
